Caltrans District 4 Workers Memorial Ceremony

Who: Caltrans District 4

What: Workers Memorial Ceremony, honoring the Caltrans employees who lost their lives while performing their duties

When: Tuesday, April 23, 1:00 pm

Where: Caltrans District 4 Auditorium, 111 Grand Avenue, Oakland, California

General: Since the 1920s, 178 Caltrans workers statewide have lost their lives on the job. Every year, Caltrans sets one day aside to remember and honor them. We also use this time to remind the public that highway work is dangerous, and that we need the public's help to keep our workers safe.

Family members of some of our fallen workers will join us for the ceremony, which includes a poetry recital next to the memorial plaque in our lobby.
